

Nicholas Roerich on Shambhala: book & paintings

In the proposal of Master KPK, "[A Rhythm for Humble Cooperation](#)", for consciously relating to the Shambhala energy, the Master also proposes to use the paintings of Nicholas Roerich to enable better comprehension and to study the teachings of Nicholas Roerich. Please see related images below.

This is the link to the new book of the Master on "[Shambala](#)"

There exists a book by [Nicholas Roerich on "Shambhala"](#) on the Roerich.org website. You can buy it online. The content is also available online via this link.

Years ago, the book was [available on that website as a PDF](#); the link here is for personal use only. The cover picture of the Nicholas Roerich book shows a detail of the painting "Command of Rigden Djapo". Rigden Djapo is a name of Sanat Kumara.
