As the auditor of The World Teacher Trust-Global, I have examined the annual Account, closed by December 31st 2022, including the specific time from January 1st 2022 to December 31st 2022.

I assert that

- the cash reserve and the post deposit are reported and that they are in accordance with the balance sheet.
- the spot-checked documents are on hand in an orderly form and correspond to the entries.
- the balance and the profit and loss statement correspond with the Accounts done in due form.

According to my evaluation the accountancy and the Annual Account are in accordance to the legal and statutory regulations.
